

A Provider's Guide To Registering on myOhioHealthyUnity.com

To register as a provider on myOhioHealthyUnity.com for the first time, you will need to follow these steps:

Step One: Create an Account

Go to myOhioHealthyUnity.com and select the Create Your Account button under the Provider section.

Each Provider should create their own account.

	If you are an OhioHealthy Plans user, please click here. Unsure? Click here to find out.
Log in	Register
Litemane Paseword	Participant Find a doctor, check claim status, manage your health and more.
SUBMIT	CREATE YOUR ACCOUNT
Eorgot your password? Eorgot your username?	Employer/Client Manage employee coverage and eligibility, view claims and view reports. Provider Check the status of your patients' cla and confirm their eligibility history.
	CREATE YOUR ACCOUNT

Also available in Spanish.

Note: If at any time, you forget your username or password, you can select the appropriate link under the login button on the home page, and then follow the prompts.

Step Two: Provider Account Creation

Create an account by entering:

- a. A **username** (minimum 4 characters) and password. The system will tell you immediately if the user name has already been taken. Create a password of 6 to 32 characters with at least one non-alpha character.
- b. Your name and email address.
- c. Answers to all three selected security questions. These replies are case sensitive.
- d. Click Next. The confirmation page for your password displays.

Account Creation - Complete the fields are required.	e information below to create an account. A

Note: If you encounter the following message, click the link and then follow the prompts to verify your information.

Step Three: Re-enter Your Password	Account Creation - The following user information has been created.
Re-enter your password and then click Next. The registration page displays to enter your specific provider information.	Username: providerdemo1 First Name: Bob Last Name: Jones E-mail: doctor@email.com Please re-enter your password to protect your security Password

Step Four: Provider Registration

Enter your information into the required fields to link your account to your provider tax ID information.

a. Enter your first and last name as the user but enter the provider's tax ID number. The provider information should be the same as the W-9. If your tax ID is found in our provider database, your registration will be automatically approved. If the tax ID number is not currently on file with us, a message appears:

"All of the taxpayer identification numbers are not found within our provider database. Please fax a copy of the Provider's W9 to 800-647-1791 or you can email a copy of the Provider's W9 to; HBW9@trustmarkbenefits.com to gain access. Once the Provider taxpayer information is entered, you will be able to register. This process can take up to 5 business days."

For multiple Tax ID numbers at the same address, enter them in the Taxpayer Identification Numbers field, separated by a comma. For a Tax ID number at a different address, complete the Registration page again.

b. Indicate whether you are a billing center or a provider or facility.

You can request Claims Access and/or Eligibility Access, but OhioHealthy will review the request and authorize appropriate access. If you meet the criteria for automatic approval, both claims and eligibility access will be checked.

Click Submit.

Click Cancel to restart the registration process. Select Provider, then re-enter the information on this registration page. Once the registration process is complete, you receive a message that provider registration submitted successfully.

1 To register for access, please ent	ter all of the information below for each TIN you would like to register. Click Subara add each TIN.

Click Submit to add each TIM. numbers submitted are not found within our provider database. Please fax a copy of the Provider's W9 to HBW9@trustmarkBener trapager information is entered, you will be able to register. This process can take up to 5 business days.

Step Five: Approval (Only if TIN is Not on File)

If the Tax ID number is not currently on file, then access as a provider user will require approval. A portal message goes to the appropriate department for approving the provider registration. Once the approval is assigned, you will receive an email that you have a portal message.

Use the arrows in the column headings to sort the information contained in the specific column.
